

**BOARD FOR PROFESSIONAL ENGINEERS, LAND SURVEYORS, AND  
GEOLOGISTS**

**FINAL STATEMENT OF REASONS**

Hearing Date: No hearing was scheduled nor was one requested.

Subject Matter of Proposed Regulations: Experience Requirements, Professional Land Surveyors.

Section(s) Affected: Amend Section 425 of Article 3 in Division 5 of Title 16 of the California Code of Regulations.

Updated Information: The Initial Statement of Reasons is included in the file. One minor technical edit was made to the proposed text in CCR 425(e) to change the reference to the BPC from "section 8742(a)(e)" to "section 8742(a)(3)". There is no further updated information to report.

Local Mandate: A mandate is not imposed on local agencies or school districts.

Small Business Impact: This action will not have a significant adverse economic impact on small businesses.

Consideration of Alternatives: No reasonable alternative which was considered or that has otherwise been identified and brought to the attention of the board would be more effective in carrying out the purpose for which it was proposed or would be as effective and less burdensome to affected private persons than the adopted regulation or would be more cost effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The only other alternative would be to take no action. If no action is taken, the problems associated with the unclear and unnecessarily complex nature of this regulation will continue.

Objections or Recommendations/Responses: There were no objections or recommendations regarding the proposed action. The Board did not receive any comments during the 45-day comment period.
