In a continued effort to focus on the Board for Professional Engineers, Land Surveyors, and Geologists' primary mission of protecting the health, safety, and welfare of the public, the Board has implemented a reduced Renewal Fee for current licensees as stated below:

Engineers and Land Surveyors

Effective immediately, and pursuant to Title 16 of California Code of Regulations Section 407, the application, examination, and renewal fees have been revised. Consequently and in accordance with Section 407(d), the two-year biennial renewal fee for a license that expires on or after July 1, 2012, shall be \$115. The two-year biennial renewal fee for a license that expires between October 1, 2005, and June 30, 2012, shall be \$125

In addition Section 407(f) provides for a reduced one-time license for those licensees that wish to change their license status to RETIRED:

- (f) The fee for each retired license shall be \$62.50; no renewal fee or other fee shall be charged for the retired license. (As used in this subdivision, "license" includes certificate of registration or license as a professional engineer, licensure as a professional land surveyor, and certificates of authority to use the titles "structural engineer," "geotechnical engineer," "soil engineer," "soils engineer," or "consulting engineer.")

The aforementioned laws can be viewed at
