PUBLIC COMMENT

Time is allotted during the meeting to provide members of the public with an opportunity to address the Board. The time allotted for each member of the public to address the Board may be limited by the Board based on the number of individuals wishing to speak.

It is requested that the speakers stand or come forward as they are recognized to speak. It is also requested, but not required, that the speakers give their names and any organizations they represent.

The public may speak on items on the agenda during the Public Comment item or when the specific item comes up for discussion by the Board. If the Board does not notice a person's request to speak during discussion of an item, it is not a deliberate attempt to limit comment. It is sometimes difficult to notice a raised hand in a meeting room. If the Board does not notice you at first, please stand so that you may be recognized to speak.

The public may speak on items not on the agenda; however, the Board may not discuss or take action on such items at this meeting. Board members cannot engage in dialogue, other than to request clarification from the speaker, regarding items not on the agenda due to constraints imposed by law. The Board may direct staff to follow up on the item with the speaker or may direct that the item be placed on the agenda of a future meeting for discussion.

The Board asks that you not discuss a pending application or a disciplinary complaint matter because the Board members will be the "judges" who ultimately decide the matter, and, by law, they are not permitted to receive information that is not part of the official administrative record in the matter. Any issues relating to such matters should be addressed in writing to the Board's Executive Officer. If a person attempts to speak on such a matter, the person will be instructed to refrain from making further comments.

If a person becomes disruptive, the person will be requested to cease the disruptive behavior. If the person fails to do so, the Board is allowed by law to request that the person leave the meeting and may even have the person removed if he or she fails to leave.
