III. Consideration of Rulemaking Proposals
   A. Proposed Amendments to Title 16, California Code of Regulations sections 416 and 3060 (Substantial Relationship Criteria) to Conform to Statutory Changes Made by AB 2138 (Chapter 995, Statutes of 2018) (Possible Action)
Under current law, the Board may deny issuance of a license or may seek to revoke (or take other disciplinary action against) a license based on the conviction of a crime or commission of other specified acts if those crimes or acts are substantially related to the qualifications, functions, and duties of the profession in which the person is seeking licensure or in which they are licensed. Furthermore, Business and Professions Code (BPC) section 481 requires the Board to develop criteria to aid it in determining whether a crime or act is substantially related. The Board has codified this criteria in Title 16, California Code of Regulations (16 CCR) section 416 for professional engineers and professional land surveyors and in 16 CCR 3060 for professional geologists, certified specialty geologists, and professional geophysicists.

Based on changes made by AB 2138 (Ch. 995, Stats.2018) to BPC section 480, which will become operative on July 1, 2020, amendments need to be made to the Board’s regulations to conform them to the revisions made to the statutes. Under current the current statutes and regulations, the Board can consider “acts” that are separate from “crimes” (convictions) when determining whether or not to deny issuing a license, such as acts done by an applicant that if done by a licensee would constitute grounds for revocation of the license. Under the changes made to BPC section 480, the Board will only be able to consider acts underlying the conviction of a crime. Since the Board’s regulations refer to “crimes or acts,” this phrase needs to be revised to conform to the changes to statute. Additionally, the changes made to BPC section 480 also specify that the Board can consider formal discipline taken by a licensing board in or outside of California for professional misconduct that is substantially related; reference to this needs to be added to the regulations.

Additionally, AB 2138 amends BPC section 481 to require that the following items be included in the criteria for determining whether a crime is substantially related:

1. The nature and gravity of the offense;
2. The number of years elapsed since the date of the offense; and,
3. The nature and duties of the profession in which the applicant seeks licensure or in which the licensee is licensed.

These three items are not currently listed in 16 CCR 416 and 3060. Therefore, they need to be added to the regulations.

In addition to the changes that simply conform the regulations to the changes in statute, it was also determined that there are some grammatical errors that need to be corrected. The proposed amendments to the regulations, as well as the chaptered version of AB 2138, are included.

**RECOMMENDED MOTION:**
Approve the proposed amendments, as shown, to Title 16, California Code of Regulations sections 416 and 3060 to conform the regulations to the statutory changes enacted by AB 2138 (Ch. 995, Stats.2018) and direct staff to begin the rulemaking process so that the amendments will become effective on July 1, 2020, when the changes to the statutes become operative.
Section 416 of Division 5 of Title 16 of the California Code of Regulations is amended as follows:

416. Substantial Relationship Criteria.
(a) For the purpose of denial, suspension, or revocation of the license of a professional engineer or a land surveyor pursuant to Division 1.5 (commencing with Section 475) of the Business and Professions Code, a crime, or the act underlying the conviction of that crime, or act of professional misconduct that was the basis for formal discipline by a licensing board in or outside of California shall be considered substantially related to the qualifications, functions, and duties of a professional engineer or land surveyor if, to a substantial degree, it evidences present or potential unfitness of a professional engineer or land surveyor to perform the functions authorized by his or her license in a manner consistent with the public health, safety, or welfare. Such crimes, acts, or acts of professional misconduct shall include, but not be limited to, those involving the following:
(1) For professional engineers, any violations of the provisions of the Professional Engineers Act or aiding and abetting any person in such a violation;
(2) For land surveyors, any violations of the provisions of the Professional Land Surveyors’ Act or aiding and abetting any person in such a violation;
(3) A conviction of a crime arising from or in connection with the practice of professional engineering or land surveying.
(b) In addition to the provisions of subdivision (a), in determining whether a crime shall be considered substantially related to the qualifications, functions, and duties of a professional engineer or land surveyor, the Board shall also consider the following, as required by subparagraphs (1), (2), and (3) of subdivision (b) of Section 481 of the Business and Professions Code:
(1) The nature and gravity of the offense;
(2) The number of years elapsed since the date of the offense;
(3) The nature and duties of the profession in which the applicant seeks licensure or in which the licensee is licensed.

Section 3060 of Division 29 of Title 16 of the California Code of Regulations is amended as follows:

3060. Substantial Relationship Criteria.
(a) For the purpose of denial, suspension, or revocation of the registration license of a geologist, specialty geologist, geophysicists, or specialty geophysicists pursuant to Division 1.5 (commencing with Section 475) of the Business and Professions Code, a crime, or the act underlying the conviction of that crime, or act of professional misconduct that was the basis for formal discipline by a licensing board in or outside of California shall be considered substantially related to the qualifications, functions, and duties of a geologist, specialty geologist, geophysicists, or specialty geophysicists if, to a substantial degree, it evidences present or potential unfitness of such geologist or geophysicists to perform the functions authorized by his or her registration license in a manner consistent with the public health, safety, or welfare.
Such crimes, acts, or acts of professional misconduct shall include, but not be limited to, the following:

(a) (1) Any violation of the provisions of Chapter 12.5 of Division 3 of the Business and Professions Code; or aiding and abetting any person in such a violation;
(2) A conviction of a crime arising from or in connection with the practice of professional geology or geophysics.

(b) In addition to the provisions of subdivision (a), in determining whether a crime shall be considered substantially related to the qualifications, functions, and duties of a geologist, specialty geologist, geophysicist, or specialty geophysicist, the Board shall also consider the following, as required by subparagraphs (1), (2), and (3) of subdivision (b) of Section 481 of the Business and Professions Code:
(1) The nature and gravity of the offense;
(2) The number of years elapsed since the date of the offense;
(3) The nature and duties of the profession in which the applicant seeks licensure or in which the licensee is licensed.
Assembly Bill No. 2138

CHAPTER 995

An act to amend, repeal, and add Sections 7.5, 480, 481, 482, 488, 493, and 11345.2 of, and to add Section 480.2 to, the Business and Professions Code, relating to professions and vocations.

[Approved by Governor September 30, 2018. Filed with Secretary of State September 30, 2018.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2138, Chiu. Licensing boards: denial of application: revocation or suspension of licensure: criminal conviction.

Existing law provides for the licensure and regulation of various professions and vocations by boards within the Department of Consumer Affairs. Existing law authorizes a board to deny, suspend, or revoke a license or take disciplinary action against a licensee on the grounds that the applicant or licensee has, among other things, been convicted of a crime, as specified. Existing law provides that a person shall not be denied a license solely on the basis that the person has been convicted of a felony if he or she has obtained a certificate of rehabilitation or that the person has been convicted of a misdemeanor if he or she has met applicable requirements of rehabilitation developed by the board, as specified. Existing law also prohibits a person from being denied a license solely on the basis of a conviction that has been dismissed, as specified. Existing law requires a board to develop criteria to aid it when considering the denial, suspension, or revocation of a license to determine whether a crime is substantially related to the qualifications, functions, or duties of the business or profession the board regulates and requires a board to develop criteria to evaluate the rehabilitation of a person when considering the denial, suspension, or revocation of a license.

This bill would revise and recast those provisions to instead authorize a board to, among other things, deny, revoke, or suspend a license on the grounds that the applicant or licensee has been subject to formal discipline, as specified, or convicted of a crime only if the applicant or licensee has been convicted of a crime within the preceding 7 years from the date of application that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made, regardless of whether the applicant was incarcerated for that crime, or if the applicant has been convicted of a crime that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made and for which the applicant is presently incarcerated or for which the applicant was released from incarceration within the preceding 7 years, except as specified. The bill would prohibit a board from
denying a person a license based on the conviction of a crime, or on the basis of acts underlying a conviction, as defined, for a crime, if the conviction has been dismissed or expunged, if the person has provided evidence of rehabilitation, if the person has been granted clemency or a pardon, or if an arrest resulted in a disposition other than a conviction.

The bill would require the board to develop criteria for determining whether a crime is substantially related to the qualifications, functions, or duties of the business or profession. The bill would require a board to consider whether a person has made a showing of rehabilitation if certain conditions are met. The bill would require a board to follow certain procedures when requesting or acting on an applicant’s or licensee’s criminal history information. The bill would also require a board to annually submit a report to the Legislature and post the report on its Internet Web site containing specified deidentified information regarding actions taken by a board based on an applicant or licensee’s criminal history information.

Existing law authorizes a board to deny a license on the grounds that an applicant knowingly made a false statement of fact that is required to be revealed in the application for licensure.

This bill would prohibit a board from denying a license based solely on an applicant’s failure to disclose a fact that would not have been cause for denial of the license had the fact been disclosed.

Existing law authorizes a board, after a specified hearing requested by an applicant for licensure to take various actions in relation to denying or granting the applicant the license.

This bill would revise and recast those provisions to eliminate some of the more specific options that the board may take in these circumstances.

This bill would clarify that the existing above-described provisions continue to apply to the State Athletic Commission, the Bureau for Private Postsecondary Education, and the California Horse Racing Board.

This bill would also make necessary conforming changes.

This bill would make these provisions operative on July 1, 2020.

The people of the State of California do enact as follows:

SECTION 1. Section 7.5 of the Business and Professions Code is amended to read:

7.5. (a) A conviction within the meaning of this code means a plea or verdict of guilty or a conviction following a plea of nolo contendere. However, a board may not deny a license to an applicant who is otherwise qualified pursuant to subdivision (b) of Section 480.
Nothing in this section shall apply to the licensure of persons pursuant to Chapter 4 (commencing with Section 6000) of Division 3.

(b) (1) Nothing in this section shall apply to the licensure of persons pursuant to Chapter 4 (commencing with Section 6000) of Division 3.

(c) Except as provided in subdivision (b), this section controls over and supersedes the definition of conviction contained within individual practice acts under this code.

(d) This section shall become operative on July 1, 2020.

SEC. 3. Section 480 of the Business and Professions Code is amended to read:

480. (a) A board may deny a license regulated by this code on the grounds that the applicant has one of the following:

(1) Been convicted of a crime. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4, 1203.4a, or 1203.41 of the Penal Code.

(2) Done any act involving dishonesty, fraud, or deceit with the intent to substantially benefit himself or herself or another, or substantially injure another.

(3) (A) Done any act that if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.

(B) The board may deny a license pursuant to this subdivision only if the crime or act is substantially related to the qualifications, functions, or duties of the business or profession for which application is made.
(b) Notwithstanding any other provision of this code, a person shall not be denied a license solely on the basis that he or she has been convicted of a felony if he or she has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code or that he or she has been convicted of a misdemeanor if he or she has met all applicable requirements of the criteria of rehabilitation developed by the board to evaluate the rehabilitation of a person when considering the denial of a license under subdivision (a) of Section 482.

(c) Notwithstanding any other provisions of this code, a person shall not be denied a license solely on the basis of a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, or 1203.41 of the Penal Code. An applicant who has a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, or 1203.41 of the Penal Code shall provide proof of the dismissal.

(d) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact that is required to be revealed in the application for the license.

(e) This section shall become inoperative on July 1, 2020, and, as of January 1, 2021, is repealed.

SEC. 4. Section 480 is added to the Business and Professions Code, to read:

480. (a) Notwithstanding any other provision of this code, a board may deny a license regulated by this code on the grounds that the applicant has been convicted of a crime or has been subject to formal discipline only if either of the following conditions are met:

(1) The applicant has been convicted of a crime within the preceding seven years from the date of application that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made, regardless of whether the applicant was incarcerated for that crime, or the applicant has been convicted of a crime that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made and for which the applicant is presently incarcerated or for which the applicant was released from incarceration within the preceding seven years from the date of application. However, the preceding seven-year limitation shall not apply in either of the following situations:

(A) The applicant was convicted of a serious felony, as defined in Section 1192.7 of the Penal Code or a crime for which registration is required pursuant to paragraph (2) or (3) of subdivision (d) of Section 290 of the Penal Code.

(B) The applicant was convicted of a financial crime currently classified as a felony that is directly and adversely related to the fiduciary qualifications, functions, or duties of the business or profession for which the application is made, pursuant to regulations adopted by the board, and for which the applicant is seeking licensure under any of the following:

(i) Chapter 1 (commencing with Section 5000) of Division 3.

(ii) Chapter 6 (commencing with Section 6500) of Division 3.
(iii) Chapter 9 (commencing with Section 7000) of Division 3.
(iv) Chapter 11.3 (commencing with Section 7512) of Division 3.
(v) Licensure as a funeral director or cemetery manager under Chapter 12 (commencing with Section 7600) of Division 3.
(vi) Division 4 (commencing with Section 10000).

(2) The applicant has been subjected to formal discipline by a licensing board in or outside California within the preceding seven years from the date of application based on professional misconduct that would have been cause for discipline before the board for which the present application is made and that is substantially related to the qualifications, functions, or duties of the business or profession for which the present application is made. However, prior disciplinary action by a licensing board within the preceding seven years shall not be the basis for denial of a license if the basis for that disciplinary action was a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, or 1203.42 of the Penal Code or a comparable dismissal or expungement.

(b) Notwithstanding any other provision of this code, a person shall not be denied a license on the basis that he or she has been convicted of a crime, or on the basis of acts underlying a conviction for a crime, if he or she has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code, has been granted clemency or a pardon by a state or federal executive, or has made a showing of rehabilitation pursuant to Section 482.

(c) Notwithstanding any other provision of this code, a person shall not be denied a license on the basis of any conviction, or on the basis of the acts underlying the conviction, that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, or 1203.42 of the Penal Code, or a comparable dismissal or expungement. An applicant who has a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, or 1203.42 of the Penal Code shall provide proof of the dismissal if it is not reflected on the report furnished by the Department of Justice.

(d) Notwithstanding any other provision of this code, a board shall not deny a license on the basis of an arrest that resulted in a disposition other than a conviction, including an arrest that resulted in an infraction, citation, or a juvenile adjudication.

(e) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact that is required to be revealed in the application for the license. A board shall not deny a license based solely on an applicant’s failure to disclose a fact that would not have been cause for denial of the license had it been disclosed.

(f) A board shall follow the following procedures in requesting or acting on an applicant’s criminal history information:

(1) A board issuing a license pursuant to Chapter 3 (commencing with Section 5500), Chapter 3.5 (commencing with Section 5615), Chapter 10 (commencing with Section 7301), Chapter 20 (commencing with Section 9800), or Chapter 20.3 (commencing with Section 9880), of Division 3, or Chapter 3 (commencing with Section 19000) or Chapter 3.1 (commencing...
with Section 19225) of Division 8 may require applicants for licensure under those chapters to disclose criminal conviction history on an application for licensure.

(2) Except as provided in paragraph (1), a board shall not require an applicant for licensure to disclose any information or documentation regarding the applicant’s criminal history. However, a board may request mitigating information from an applicant regarding the applicant’s criminal history for purposes of determining substantial relation or demonstrating evidence of rehabilitation, provided that the applicant is informed that disclosure is voluntary and that the applicant’s decision not to disclose any information shall not be a factor in a board’s decision to grant or deny an application for licensure.

(3) If a board decides to deny an application for licensure based solely or in part on the applicant’s conviction history, the board shall notify the applicant in writing of all of the following:

(A) The denial or disqualification of licensure.

(B) Any existing procedure the board has for the applicant to challenge the decision or to request reconsideration.

(C) That the applicant has the right to appeal the board’s decision.

(D) The processes for the applicant to request a copy of his or her complete conviction history and question the accuracy or completeness of the record pursuant to Sections 11122 to 11127 of the Penal Code.

(g) (1) For a minimum of three years, each board under this code shall retain application forms and other documents submitted by an applicant, any notice provided to an applicant, all other communications received from and provided to an applicant, and criminal history reports of an applicant.

(2) Each board under this code shall retain the number of applications received for each license and the number of applications requiring inquiries regarding criminal history. In addition, each licensing authority shall retain all of the following information:

(A) The number of applicants with a criminal record who received notice of denial or disqualification of licensure.

(B) The number of applicants with a criminal record who provided evidence of mitigation or rehabilitation.

(C) The number of applicants with a criminal record who appealed any denial or disqualification of licensure.

(D) The final disposition and demographic information, consisting of voluntarily provided information on race or gender, of any applicant described in subparagraph (A), (B), or (C).

(3) (A) Each board under this code shall annually make available to the public through the board’s Internet Web site and through a report submitted to the appropriate policy committees of the Legislature deidentified information collected pursuant to this subdivision. Each board shall ensure confidentiality of the individual applicants.

(B) A report pursuant to subparagraph (A) shall be submitted in compliance with Section 9795 of the Government Code.
(h) “Conviction” as used in this section shall have the same meaning as defined in Section 7.5.

(i) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

(1) The State Athletic Commission.
(2) The Bureau for Private Postsecondary Education.
(3) The California Horse Racing Board.

(j) This section shall become operative on July 1, 2020.

SEC. 5. Section 480.2 is added to the Business and Professions Code, to read:

480.2. (a) The Bureau for Private Postsecondary Education, the State Athletic Commission, and the California Horse Racing Board may deny a license regulated by it on the grounds that the applicant has one of the following:

(1) Been convicted of a crime.
(2) Done any act involving dishonesty, fraud, or deceit with the intent to substantially benefit himself or herself or another, or substantially injure another.
(3) (A) Done any act that if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.
(B) The Bureau for Private Postsecondary Education, the State Athletic Commission, and the California Horse Racing Board may deny a license pursuant to this subdivision only if the crime or act is substantially related to the qualifications, functions, or duties of the business or profession for which application is made.

(b) Notwithstanding any other provision of this code, a person shall not be denied a license solely on the basis that he or she has been convicted of a felony if he or she has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code or that he or she has been convicted of a misdemeanor if he or she has met all applicable requirements of the criteria of rehabilitation developed by the Bureau for Private Postsecondary Education, the State Athletic Commission, and the California Horse Racing Board to evaluate the rehabilitation of a person when considering the denial of a license under paragraph (1) of subdivision (f).

(c) Notwithstanding any other provisions of this code, a person shall not be denied a license by the Bureau for Private Postsecondary Education, the State Athletic Commission, or the California Horse Racing Board solely on the basis of a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, or 1203.41 of the Penal Code. An applicant who has a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, or 1203.41 of the Penal Code shall provide proof of the dismissal.

(d) The Bureau for Private Postsecondary Education, the State Athletic Commission, and the California Horse Racing Board may deny a license regulated by it on the ground that the applicant knowingly made a false
statement of fact that is required to be revealed in the application for the license.

(e) The Bureau for Private Postsecondary Education, the State Athletic Commission, and the California Horse Racing Board shall develop criteria to aid it, when considering the denial, suspension or revocation of a license, to determine whether a crime or act is substantially related to the qualifications, functions, or duties of the business or profession it regulates.

(f) (1) The Bureau for Private Postsecondary Education, the State Athletic Commission, and the California Horse Racing Board shall develop criteria to evaluate the rehabilitation of a person either when:

   (A) Considering the denial of a license under this section.
   (B) Considering suspension or revocation of a license under Section 490.

   (2) The Bureau for Private Postsecondary Education, the State Athletic Commission, and the California Horse Racing Board shall take into account all competent evidence of rehabilitation furnished by the applicant or licensee.

(g) Except as otherwise provided by law, following a hearing requested by an applicant pursuant to subdivision (b) of Section 485, the Bureau for Private Postsecondary Education, the State Athletic Commission, and the California Horse Racing Board may take any of the following actions:

   (1) Grant the license effective upon completion of all licensing requirements by the applicant.
   (2) Grant the license effective upon completion of all licensing requirements by the applicant, immediately revoke the license, stay the revocation, and impose probationary conditions on the license, which may include suspension.
   (3) Deny the license.
   (4) Take other action in relation to denying or granting the license as the Bureau for Private Postsecondary Education, the State Athletic Commission, or the California Horse Racing Board, in its discretion, may deem proper.

(h) Notwithstanding any other law, in a proceeding conducted by the Bureau for Private Postsecondary Education, the State Athletic Commission, or the California Horse Racing Board to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact, and the Bureau for Private Postsecondary Education, the State Athletic Commission, and the California Horse Racing Board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, and duties of the licensee in question.

   (i) Notwithstanding Section 7.5, a conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the Bureau for Private Postsecondary

IV. Administration
   A. Fiscal Year 2017/18 Budget Review
   B. Fiscal Year 2018/19 Budget Status
MEMORANDUM

DATE August 28, 2018

TO ALL Board Executive Officers/Bureau Chiefs

FROM Janice Shintaku-Enkoji, Chief Fiscal Officer
Budget Office

SUBJECT DCA FI$Cal Implementation Status Update

FI$Cal is the new statewide system for budgets, accounting and procurement that the State of California has implemented for all state departments. Participation in the system is mandated by the state legislature and the Governor.

DCA integrated into FI$Cal in July 2017. While the transition has and continues to be challenging, the system is working and capturing all expenditure and revenue transactions for DCA programs. During system implementation, DCA – among other state entities -- have encountered interface and other technical system issues that have hampered our ability to conduct timely month end closing and produce reconciled monthly expenditure and revenue reports. In response to these issues, the DCA Executive Office has met with the FI$Cal Director and its executive team to relay our system concerns and address the technical system issues. As a result, DCA and FI$Cal technical staff have been in contact on a weekly basis to work through and address programming, reporting and other technical concerns.

DCA continues to operate in FI$Cal and is working towards closing its first full fiscal year in the system, however processing and workload issues associated with the system have yet to be fully resolved. Significant hurdles must be overcome for DCA to close and reconcile expenditure and revenue figures for year-end. As a result, DCA will be unable to close the fiscal year and produce official financial year-end statements until later this fiscal year (currently estimated for March 2019). Please note that this is a situation that is not unique to DCA but rather a statewide issue impacting many of the Departments that are transitioning to the FI$Cal system. See the State Auditor’s recent FI$Cal status letter for additional context.

To provide programs with estimated year-end expenditure and revenue figures, DCA will be producing preliminary fiscal month 12 (June) financial statements from FI$Cal that will be disseminated to programs in late August. These reports will be utilized for year-end estimates until the official financial statements can be prepared.
DCA understands your concerns and share many of the same frustrations in not being able to provide timely reports that detail all expenditures and revenues for programs in a consolidated and understandable format.

DCA is fully dedicated to a successful transition into the FI$Cal system. We appreciate your patience and understanding as we continue to address these technical and workload challenges.

He reported that they are also working toward Computer Based Testing (CBT) and are pleased to have Laurie Racca as Chair of the Examinations Committee to aid in the transition to the new process.
He also advised Arizona has added the category of “Trained Geologist” that can practice geology but cannot sign off on any documents.
